

Paper #1

Your first short paper is due on 21 March at 9:30 AM. It should be 3-5 double-spaced pages, with normal margins and normal font size. You should write about something that we talked about in class, but the particular thesis is up to you. It can be handed in in-class on 21 March or sent to me via email. My email is michael.dracula.johnson@gmail.com
